

Juneau County

PARKS TECHNICIAN II

The Juneau County Land, Forestry & Parks Department is accepting applications to fill a Technician II position. Juneau County is an equal opportunity employer.

QUALIFICATIONS/EDUCATION/EXPERIENCE

Candidate should possess a B.S. degree in a Natural Resource field with emphasis in outdoor recreation. Previous experience or training in parks, recreation and forestry-related work, as well as experience in providing assistance and services to the public is required. Good communication skills, computer, mechanical, carpentry, electrical and masonry skills and knowledge will be necessary. This position requires a person physically able to traverse over long distances on irregular terrain under all weather conditions. CDL license required or may be obtained upon employment.

Pay: Competitive salary and excellent fringe benefits

Application Deadline: Received by 4:00 p.m. on August 29th, 2017

DISTINGUISHING FEATURES OF THE POSITION

The employee will be responsible for supervising and managing the Wilderness County Park. Work collectively or independently to perform a full range of forest management activities such as forest reconnaissance, GIS, establishing timber sales and accomplishing tree regeneration projects. The employee will be under the immediate supervision of the Juneau County Land, Forestry and Parks Administrator but will at times exercise independent judgment and resourcefulness.

The employee may have the option to live in the house provided at Wilderness Park under a lease agreement and monthly rental fee.

Due to the seasonal nature of the recreational portion of this position, summer months will require work hours over and above that of a regular forty-hour workweek. Work may be necessary on holidays, weekends, and evenings as necessary. Contact the Land, Forestry and Parks Department for additional information at (608) 847-9390.

Job description and applications may be picked up at:
